CASE STUDY: WILTON CARPETS

www.wiltoncarpets.com

CASE STUDY: WILTON CARPETS

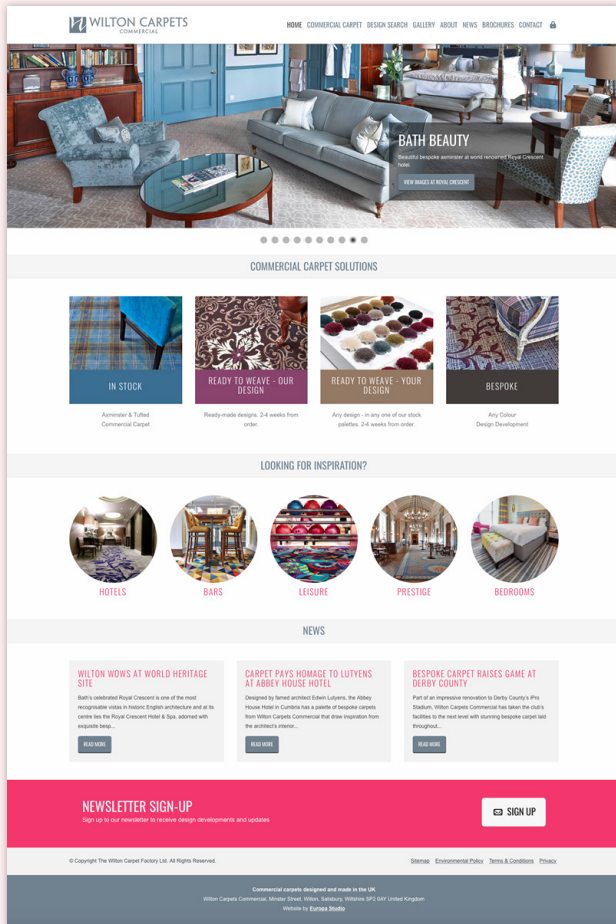

Renowned throughout the world for their quality and luxury, Wilton Carpets are a proud British manufacturer with a long heritage.

- Branding and identity design
- Responsive website design and development
- Search engine optimisation
- iPhone/iPad app development
- Email marketing
- Content writing
- 3D room renderings
- Photography and video production

CASE STUDY: WILTON CARPETS

We have worked with Wilton Carpets since 2010, guiding them from search engine obscurity to the front page of Google for their chosen keywords. The website is the largest of its kind, with nearly 3000 carpets listed and over 3000 registered users.

Europa Studio has created a website that combines ease of use, useful functionality, good looks and branding – and gets us to the top of Google rankings with our chosen keywords.

Suna Jones, Marketing Manager

We are helping to drive improvements in the education and training of health professionals

[Health Professionals](#)

Osteoporosis Dorset is a registered charity established in 1992 to raise awareness and increase public interest in **bone health, falls and fragility fractures** through our educational initiatives.

Supporting the Dorset community since 1992

Thanks to our amazing volunteers, partners and staff, Osteoporosis Dorset has helped to positively impact the lives of thousands. For over a quarter of a century, we've been providing evidence based information to the Dorset health community and general public.

What is Osteoporosis?

Osteoporosis means porous bones. It is a disease in which the density and quality of bone are reduced.

Support Groups

Our support groups focus on improving quality of life and enabling people to live independently.

Donate

Your support can help us make a difference to people's lives today and in the future!

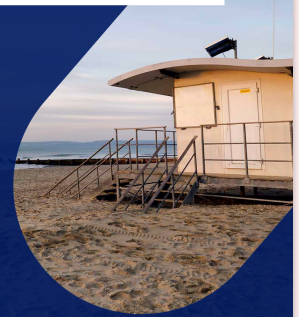

14-15 DECEMBER 2020
